Deputy Visited Arcanians—Grand Army Votes for Summer Recess—Modern Woodmen Omit August Assessment—Catholic Ladies Enjoying Summer Social Meetings.

MODERN WOODMEN.

Ionic camp, No. 7694, had a good attendance on Wednesday evening for its regular meeting in Pythian hall. Worthy Consul Allen C. Matthews presiding. The members were pleased to have the announcement made that the August assessment was to be skipped, making the second that has been skipped this year.

In the coming month Ionic camp is promised much work, as the deputies and members are at work after new members, having a powerful argument to present in the financial standing of the order, and they expect to flood the secretary's desk with applications.

ROYAL ARCANUM.

Thames council, No. 1451, had a visit of inspection on Wednesday evening from its district deputy, Mr. Gray, who is secretary of B. H. Webb council of Hartford. There was the average number of members at the

meeting in Foresters' hall to greet the visiting officer who spoke entertainingly of Arcanum conditions. The deputy reviewed the auditing committee reports on the books and accounts and communicated the password for the current term.

ORDER OF PROTECTION.

At their last meeting Slater lodge, No. 509, discussed plans for a social evening at their next meeting, which is to be on next Wednesday night, for which it was decided to conduct a box social. All the members are expected to come with their boxes and a most enjoyable evening is anticipated.

There is also talk among the three local lodges of having a picnic day some time in August, perhaps going to Wildwood park at Danielson for the outing.

FRATERNAL BENEFIT LEAGUE.

The regular meeting of Norwich

council, No. 25, was held on Monday evening in Pythian hall with a good attendance. Some vacancies in the offices were filled, and the council members who can do so made plans to attend the state outing of the order, which is to be held at Lighthouse point today. Those who attend will go by train and trolley.

GRAND ARMY.

The regular weekly meeting of Sedgwick post, No. 1, was held on Friday evening at the Buckingham Memorial. Commander Henry J. New London. It was decided that only one meeting will be held in August, which will be August 19, but the regular business meetings each week will be resumed in September.

UNITED WORKMEN.

The order loses an esteemed member in the death of City Sheriff Timothy T. Sugrue, who passed away suddenly at his home in New London. Friday, July 22, after suffering from an attack of acute indigestion. He had been a prominent figure in New London politics for a quarter of a century and had been a republican nominee on republican tickets in city elections for about thirty years.

Times he was elected sheriff and in more recent years he was the most popular candidate on the ticket and was elected to his high office and time again. He was a member of Sprague lodge, No. 9, A. O. U. W., and of various other organizations. He joined Sprague lodge May 18, 1888.

The regular business meeting of Norwich lodge, No. 12, was held on Wednesday evening in Germania hall. Only routine business was to be transacted so that the meeting adjourned early.

KNIGHTS OF COLUMBUS.

The Bridgeport Knights of Columbus have sent out a notice to the councils of the state asking for the second annual state parade and celebration of Columbus day, to be held in Bridgeport on October 12. In the morning there will be a short street parade of councils of the order from this state, Massachusetts, New York and Rhode Island. The visitors will be entertained in the afternoon, and in the evening a charity bazaar will be held. A prize will be awarded to the council having the largest number of members in line to the one coming from the most distant point to take part in the parade, and to the one making the best appearance in the parade. A large attendance is expected as probably every council in the state will be represented.

DEGREE OF POCAHONTAS.

Sehegonnash council, No. 11, held its usual meeting on Monday evening in Foresters' hall. In addition to the regular business, picnic plans were talked over and the outing will soon take place. A short entertainment was given that made fun for the members and in which the first prize was won by Ada Lathrop and second by Joseph Smith. At the meeting next time the visit of the grand officers is expected and it is desired that there be a full attendance to welcome them. The council members are showing much interest in the order, which indicates that there will soon be a good gain in membership.

EAGLES.

Connecticut had representatives at Providence on Thursday for the annual New England field day of the Eagles, which began with a parade with about 8,000 in line and ended up with a program that included a store dinner and sports at Fields Point.

The New Haven aerie made a hit with the crowds. Four of the officers rode in an automobile, and all along the route distributed fans which advertised the fact that the New Haven Eagles are preparing a big festival. There was a scramble for the fans, and in front of the city hall women and children broke through the police lines in order to secure them.

This is the first time in several years that the Eagles of New England have held their field day in Providence, the exercises last year having been held in Pittsburg, Mass. In Fall River in 1908, New Haven in 1907 and Worcester in 1906. In New England there are 135 aerics of Eagles and of these nearly all sent delegations.

Degree teams consisting of from 12 to 20 men were present from Worcester, Stamford, New Haven, Hyde Park and South Framingham, and the ritual of the order was exemplified.

The following prizes were given: 35 aerics displaying the best float—East Providence, No. 1773, given \$100; second, Pawtucket aerie, No. 736, given \$50.

Aerie appearing in the best costumes—New Haven No. 242, given \$50. Worcester aerie highly commended.

Aerie having largest number of members in line—Lawrence, No. 216, given \$50.

Aerie coming the longest distance—Rutland, Vt., No. 1001, given \$25.

Judges were Fire Commissioner A. H. Smith, Col. Charles E. Mulhearn and Luke Kavanagh.

The awards to degree teams were as follows: First—Worcester aerie, No. 203, given \$200.

Second—Hyde Park aerie, No. 617, given \$100.

LADIES' AUXILIARY, A. O. H. A lawn party given on Thursday evening by the Ladies' auxiliary, A. O. H., at the home of Mr. and Mrs. A. A. Brock, No. 55 Cedar street, was favored with fine weather and had an admirable place for such an event.

Through the arrangements made by the committee in charge and the work of Mr. and Mrs. Brock in the decorations the grounds presented a very inviting appearance to the large crowd that attended. At the gate an arch of green was arranged with American flags, and in the rear of the yard was a dancing pavilion erected on which the feature was a large gold eagle presented to Mr. Brock by Supt. W. F. Bogue of the city gas and electrical department. Japanese lanterns and other lanterns furnished the light for the dancers, and the music was by Andrews' orchestra. The lawn party was conducted with great success from 8 to 12 p. m.

Miss Rose O'Neill was the general chairman in charge, and at the cake table were Mrs. Mary Silvey, Mrs. D. McCormick and Mrs. Nellie Downing. Miss Nellie Collins had charge of the ice cream. Two small boys in white sailor suits, John and Austin Furlong, sold popcorn. The grabbags were in charge of Miss Mary Shea, Miss Catherine Connolly, Miss James McVeigh and Miss Lila Corcoran. At the gate M. O'Connor took the tickets. P. Curran had charge of the soda water and Policeman P. Murphy was on duty at the grounds. A ten pound fruit cake was awarded during the evening. The auxiliary will realize a good sum from their pleasant social evening.

CATHOLIC LADIES' BENEVOLENT ASSOCIATION.

St. Rose's branch of this order is finding much enjoyment in the plan it adopted for the summer of holding its meetings at the homes of different members, instead of at the hall, and is anticipating an especially pleasant day when it holds an outing in the third week in August. The last meeting of the branch was held last Monday evening at the home of the president, Mrs. Theresa B. Shahan. At this a bedquilt, which was one of two made during the winter, was disposed of and went to James McGarry of Main street, who was the fortunate holder of the winning card. The other quilt is to be disposed of later.

The full list of officers for this year is as follows: President, Mrs. Theresa B. Shahan; first vice president, Mrs. Rose Riley; second vice president, Mrs.

Dandruff, Falling Hair and Itching Scalp Cured, or Money Back

What other people say of you sometimes has more effect than what you say about yourself. Read these: "I used one bottle of Parisian Sage, and it did all you claim it would do. My hair is fluffy and clean from dandruff since I used the Sage, and I am going to keep it constantly on my dressing table for toilet use."—Mrs. M. Griffin, 326 W. 9th St., Davenport, Iowa.

"I write in short that my head was almost running me crazy, and I saw your ad. in the Times-Union. I bought a bottle of Parisian Sage at once and tried it, and in a week I could see that my head was almost well, and my hair was growing wonderful, and I continued using Parisian Sage, and now my hair is beautiful and everybody admires it. My scalp is always clean."—Your customer, Mrs. S. Dingle, Jacksonville, Fla., Oct. 15, 1909.

"Parisian Sage is certainly a wonderful hair restorer. My husband and I both have used it and find it to be just as advertised."—Mrs. D. Schorling, 220 Washton St., Toledo, O., Oct. 23, 1908.

Parisian Sage is sold by druggists everywhere and by The Lee & Osgood Co. for 50 cents a large bottle, and is guaranteed to cure dandruff, stop falling hair and itching scalp, or money back. It makes hair grow soft, lustrous and luxuriant, and is not sticky or greasy. The girl with the Auburn hair on every bottle. Mail orders filled by Giroux Mfg. Co., Buffalo, N. Y.
